

CUZICK MANAGEMENT SERVICES

Cuzick Management Services Ltd is a Permanent Recruitment Agency based in the West Midlands, working with companies UK wide. Focusing on the Engineering & Manufacturing sectors, CMS cover disciplines ranging from skilled engineers to middle & senior managerial roles, in all areas of your organisation's structure.

CMS place emphasis on listening to employer's needs and business requirements to offer simple, flexible, cost effective recruitment solutions.

Services range from traditional Contingency recruitment and Marketing Campaigns to Retained and Search & Selection projects.

Our position is to support you throughout the recruitment process, working closely to assist you in securing the right person for the job, in the most efficient way with effective recruitment solutions.

WHAT DO CMS OFFER?

- A simple and clear service; structured to meet your needs and timescales.
- An affordable solution; accommodating your budget constraints, without compromising quality or expectations.
- A proactive approach; using the tools at our disposal to effectively market your opportunity to as large a target audience as possible.
- Industry knowledge; utilising our understanding and experience of the engineering & manufacturing sectors to provide concise and applicable candidate shortlists.
